INTENDED OUTCOME

To positively impact patient care by providing up-to-date information to healthcare professionals in regards to evidence-based identification, prevention and treatment of issues seen in the specialty of behavioral health management and to positively impact the patients treated within our community.

BUTLER HEALTH SYSTEM

ACCREDITATION

AMA PRA Category 1 Credits™

Butler Memorial Hospital is accredited by the Pennsylvania Medical Society (PAMED) to provide continuing medical education for physicians.

Butler Memorial Hospital designates this live activity for a maximum of 6 AMA PRA Category 1 Credits™ and 6 CEs. Physicians should claim only credit commensurate with the extent of their participation in the activity.

SYMPOSIUM OVERVIEW / *intended audience*

The CME Committee at Butler Memorial Hospital is pleased to offer this exciting educational opportunity highlighting practical, evidence-based discussions of current topics involving the many areas of behavioral health. An outstanding faculty of experts will present evidence-based lectures on a targeted selection of important topics of educational need related to behavioral health. It is intended for primary care physicians, family practice physicians, internists, OB/GYNs, physician assistants, nurse practitioners, nurse midwives, cardiologists, surgeons, endocrinologists, paediatricians, general practice physicians, nurses and other health care professionals who have direct responsibility for, or interest in, the care of patients.

EDUCATIONAL OBJECTIVES

After this presentation, the participant should be able to:

- Discuss the causation and treatment options of delirium
- Identify the impact of substance abuse on patients with and without mental illness
- Identify the complexities and differences of identification and treatment of the child/adolescent population
- Pharmacological and non-pharmacological treatments of mental health

REGISTRATION *form*

Registration for the 2019 Carol Dietrich Memorial Symposium is required. This is a complimentary educational event when completed registration form is received by October 25, 2019. On-site registration will incur a \$25 registration fee.
