**724-968-5355**

“Medicine provides a unique opportunity to establish meaningful relationships. Patients share their lives with you and in turn, you are privileged to help guide them in their journey,” says Dr. Martin. “BHS provides a great opportunity to practice state of the art medicine in a community environment where you feel part of a family.”

## Accepting New Patients

**Sanjay B. Dixit, MD**

Call today for more information  
or to schedule an appointment.

**724-968-5355**

"I developed an interest in medicine at an early age when the physicians caring for my father fascinated and inspired me. My main goal as a physician is to help my patients and their families achieve an excellent quality of life," says Dr. Dixit. "BHS shares my commitment by providing the quality resources needed in a positive, family focused community setting."

- **Board Certification**, Internal Medicine, Endocrinology, Diabetes and Metabolism
- **Medical Degree**, University of Pittsburgh, *Pittsburgh, PA*
- **Internal Medicine Resident**, The Ohio State University Medical Center, *Columbus, OH*
- **Endocrinology and Metabolism Fellowship**, University of Pittsburgh Medical Center, *Pittsburgh, PA*
